

Dear Parents / Guardians,

It is with great pride and excitement that I write this letter to you all at the juncture of the ending I Term & entering into II Term. As the newly appointed principal here at Voxpop International school, its my pleasure & honour to join in continuing the rich history of academic excellence and education that this school has been known for since the beginning.

Since reopening, working on New areas, Parents interface, Co-ordinators, Staff & Students, integrating with senior staff, Plans for events, Fieldtrip was fairly hectic. But in no time we got settled down to a more usual rhythm.

Voxpop staff

Message from the principal desk

June Most welcoming month of the academic year, our students continue to engage in a wide range of social, cultural, sporting activities. Education is not just about the academic ride, events like students Body elections, fist of Rice donations, Ramazan celebrations helped every child to have community and action experiences and holistic development

Student body elections

Ramzan celebrations

Fist of Rice

Yoga day

investiture ceremony

After Investiture ceremony New students Body got engaged in a wide range of responsibilities right from “Morning assembly to dispersal of students in the evening.

Our Nutrition week and given schedule helped students to have better understanding on healthy food habits.

I also feel very proud when I saw Primary students answering HOT questions reflecting their application oriented knowledge.

Inspiration & Motivation always help children to move towards success. On doctors day we took pride of felicitating Voxpop alumni who is pursuing medical degree.

Doctors day

We follow global standards but we respect Indian values & culture

Thus our school celebrates multi religious festivals like Raksha Bandhan, Krishnasthmi and Ramzan to develop secular values in them.

Our students also took part in world record of Bonallu making organised by Temple of Arts & Bharath Vikas Parishad .

WORLD POPULATION DAY

Quiz competition was conducted by Dept of social sciences on world population day helped our tiny tots to understand social problems.

I feel July & August are achiever months for Voxpop as our students proved themselves in Sports, Arts, & Literature at Zonal, District & State level

Pre-primary Pyjama party helped our tiny tots in socializing themselves with school, teachers and Co students.

Pre-primary, Primary, middle & high school students participated enthusiastically in field trips which helped them to develop listening & Communication skills, raise self-awareness and sense of social responsibility.

Our Pre-primary Green day & Yellow day celebrations made our little hearts identify primary colours.

On national photography day our students were asked to capture a moment from nature. @ A soft click @ A flash of light.....

All captured clicks were displayed and the best captured moments were appreciated.

As our festivals are becoming more fancy today, causing threat to the environment. One such festival is Ganesh festival.

“Design for a change – Use clay Ganesh”

With this beautiful thought our Voxpopians made Clay Ganesh and went on a rally to create awareness and make them understand how this festival could be made Eco friendly.

Students also produced, directed and acted in a message oriented short film “Design for change”.

Our Pre-primary kids presented their talents to their parents in the open house.

September A month of Regards, Respects & Prayers

Voxpop students organised the Teachers day to pay their respect to the teachers and commemorate the anniversary of the great philosopher visionary, our former president Dr. Sarvepalli Radha Krishnan . X students organised special assembly with a variety of programmes such as the contributions of Dr. Radha Krishnan, a quiz, followed by fun games and cultural bonanza for their dear teachers.

Grandparents are the sprinkle stardust over the liver of little children

Nobody can do for little children what grandparents do.

Voxpop celebrated Grandparent's day on 8/09/17... A day dedicated to lovely Grandparents of our little ones..... it included a bit of giving ...a bit of taking.... a bit of memory.... a bit of Joy....

Part of Dussehra celebrations, attire of Navadurgas were displayed by the children and all were aware of the individual features of Navadurgas

WISH YOU ALL A VERY HAPPY 'DUSSEHRA & DIWALI

Regards

HELAVATHY . V
